UMI
海

The background is a complex, abstract composition. It features a dense, maze-like pattern of fine, white, wavy lines that create a sense of depth and movement. The color palette is dominated by vibrant teal and turquoise tones, which are interspersed with bold, saturated reds and oranges. The overall effect is a rich, textured visual field that changes as the viewer's perspective shifts.

NAUTILUS NAUTILE

PRINT

KELP
LAMINAIRE

An abstract painting with a complex, layered texture. The composition is dominated by vertical, wavy bands of color. The palette includes various shades of green (from light lime to dark forest green), deep blues, and vibrant reds. The brushstrokes are thick and expressive, creating a sense of movement and depth. The overall effect is reminiscent of a dense, textured landscape or perhaps a microscopic view of a natural material.

SEAGRASS HERBIERS

The image shows a close-up, top-down view of a marbled paper surface. The marbling pattern is complex and organic, featuring a mix of colors including deep blues, greens, yellows, and browns. The colors are blended and swirled together, creating a textured, almost cellular appearance. The word "TORRENT" is printed in a bold, white, sans-serif font, centered horizontally across the middle of the image. The text is clearly legible against the darker, more textured background of the marbling. There are a few small, distinct spots: a pair of dark blue spots in the upper left, a single red spot on the left side, and another red spot in the lower right corner.

LOTUS

An aerial photograph of a lagoon. A central, narrow path or causeway, possibly made of sand or coral, runs vertically through the center of the lagoon. The water is a deep, vibrant blue-green color. On the right side, a cluster of palm trees is visible, their fronds extending over the water. The overall scene is serene and tropical.
